Persons calling for any of the above letters will please say they were advertised.

A. H. JORDAN P. M.

**ECLIPSE LIVER STABLE.**

The subscriber has just completed his establishment sign posted on Main street, east of the Market House, where he now prepares to take care of horses in a style not to be passed in this country. He will be pleased to serve all persons in that line; and will in a short time be prepared with the best of

**Saddle and Harness Horses, Carriages, Buggies, Hacks &c.**

or the benefit of the travelling community, and gentlemen of pleasure.

By prompt attention to business, the Proprietor hopes to secure a share of public patronage. He has connected with his stable, a fleet lot of carriage drivers, with water troubles, &c., where he will be pleased to give who may have occasion to call on him, ample and satisfactory accommodation.

Small favors will be kindly received, and large demands upon the attention of the Proprietor will always be promptly met and attended to.

Come one, come all!

J. STRINGER,

Agent for C. D. S.

Columbus, Mi., Sep. 7, 1850. 10-15.

**COLUMBUS HOTEL**

By James Jones & Son,

Columbus, Mi.

The subscriber having taken charge of this large and commodious house, situated in the central part of the city, formerly occupied by JOHN T. RIDLEY, would respectfully inform the public that it has undergone a thorough repair.

Having prepared the best bedding and attendance servants, we trust that with our long experience and undivided attention, we may be able to please every one while under our roof.

Our Hotel will always be supplied with the best he Market affords. In fact, neither price nor expense shall be spared to render our guests comfortable.

Our horses will be sent to the well-known Livery Stable of William Cadby, who keeps the best of prudential and attentive outliers.

Our terms will be moderate. av. 10, 1849-51.

**LIVERY STAABLE.**

The subscriber would entreat his friends and the public generally, that he has taken the entire control of those well-known LIVERY STABLES, formerly occupied by Cadby & Rice, on Market st., south of the "Old Woman's Head." He has enlarged and otherwise improved his Stables, so that he is now prepared to accommodate any number of horses that may be sent him in a state not surpassed by any establishment of the kind west of Mason and Dixon's line. He keeps constantly on hand for hire, Saddle Horses, Carriages, Buggies, &c., of the most superior quality. From his long experience in the business, and great desire to give perfect satisfaction to his customers, he hopes to receive a liberal share of patronage.

His terms are the same as heretofore: Horse and Buggy, per day, \$8.00

Bridles, Horses per day, 1.50

Horse at Livery per month, 12.50

" " per week, .50

Forage per night, .75

" single feed, .50

Costs for Board, per day, after the 6th inst., 1.00

October 1, 1851.

**NEW-YORK**  
**WIRE RAILING WORKS.**

PUBLIC attention is invited to a new improvement in manufacturing Iron Railings, Grating, &c., made from Iron Rods and wrought Iron, designs.

**Wire Railing.**

It is the most attractive exclusive for public or private grounds, farms, cemeteries, balconies, verandas, etc., etc.

**Window Guards and Grating**

For stores, dwellings, hôtels, asylums, prisons, steamships, iron, bedsteads, with wire screening, glass, glass, and iron screens, and a variety of articles too numerous to mention, which this invention is susceptible of, presenting conveniences never before known, resulting from the improvement for which this article is patented. For elegance, combined with strength, for the beauty of its inconceivable variety of designs, and especially for cheapness (about half less than cast iron), it is altogether unparalleled by any thing yet offered to the public.

**Another Scientific Wonder:**

**PEP SIN,**

*The true Digestive Fluid, or Gastric Juice.*

It is a very singular remedy for public or private diseases, such as, Indigestion, Jaundice, Liver Complaint, General Debility, and very Conscient, curing various diseases induced by Nature's own agent.

The following extract from the "New York Medical Journal," will interest you:

"Dr. J. T. Smith, of New York, has recently

published a paper on the subject, in which he

states that he has had many cases of

Indigestion, Jaundice, Liver Complaint, &c.,

cured by the use of this fluid, and that the

results are very satisfactory."
